PENNSYLVANIA Parks & Forests FOUNDATION

It's just our nature to help!

Support Pennsylvania's State Parks and State Forests Through the Pennsylvania Parks & Forests Foundation

Believing that each generation is responsible for leaving a legacy of good stewardship, the Pennsylvania Parks & Forests Foundation was established in 1999 to give users and supporters of Pennsylvania's parks and forests a positive way to contribute to the conservation of our publicly owned lands.

Pennsylvania Parks & Forests Foundation is the premier foundation supporting Pennsylvania's parks and forests. We accomplish our mission by:

♦ Working in partnership with state parks and forests to establish a network of friends groups who become the voice and stewards of our public lands.

♦ Creating public/private partnerships at the local, regional and state levels.

♦ Providing a tax-deductible vehicle to allow citizens to donate or bequeath money to Pennsylvania's state parks and forests.

♦ Engaging people in outdoor recreation, education and volunteerism.
